Other sections

Conferences	**DevTalks Cluj-Napoca**
	period Sep 2023 - Sep 2023
	I am satisfied with this experience because I attended several conferences about artificial intelligence and programming . I learned the main concepts behind the AI technologies and also Software Engeenering and a bit of DevOps.
	Techsylvania
	period Jun 2023 - Jun 2023
	A very proffesional meeting, with tons of interesting people and many great programmers around the globe, sharing their thoughts and experiences with us in the fields of technology, AI, and programming.
	CloudFlight Coding Contest
	period Nov 2022 - Nov 2022
	I went to this coding contest and I was able to finish almost all of the challanges. It was a great experience, meeting with other poeple with the same passion and sharing our thoughts about programming.
